Your Opportunity to Serve

The California State Military Reserve (CSMR) is an all-volunteer State Defense Force. Our primary mission is to support the Service Members of the California National Guard (CNG) in their Homeland Security missions and provide service to California during times of state emergencies.

Prior military service is desirable, but not a requirement for enlistment in the CSMR. We welcome non-prior service men and women as well as experienced veterans. We are looking for candidates who reflect the diversity of the communities that we serve. Individuals who are loyal, passionate, highly motivated and committed with a desire to volunteer their time in a professional and military environment.

We live in challenging times. Take your place in the ranks of CSMR Citizen-Soldiers who have answered the call to volunteer service. The time is now, the need is great and you can make a difference.

The CSMR J6, IC4U teams have been an integral part of the Emergency Response missions in the State of California. Commit the Reserves!
