

URBAN

OCTOBER 17-23, 2021
JFTB LOS ALAMITOS & ONLINE

Prepare your Brigade and Division Staff Officers and NCOs to gain proficiency in the planning and executing of urban operations. Topics include:

- Urban operations doctrine and training concepts.
- Understand complexity of urban operations thru historical study with a compare and contrast of attack to Razish & LA Terrain walk.
- Identify dense urban operations environment planning considerations.
- Identify gaps and/or disconnects in current U.S. dense urban operations fighting doctrine.
- Execute TTX resulting in exercise planning for operations in a dense urban environment report.

*Registration open to service members from all three Army components.
Online viewing available for approved urban operations planners and leaders.*
