Vacancy Announcement Details

The California Military Department is accepting applications for the State Active-Duty position indicated above. An appointment to this position provides full benefit status for the appointee and their beneficiaries. **This position is not to exceed 14 March 2027.** Continuation and subsequent extensions of service will be determined by the individual's performance of duty and continuation of funding. **The Service Member selected for this position will be paid at their federal or California State Guard pay grade, not to exceed E-6.** This announcement has minimum requirements. Failure to meet these requirements will cause your application to be rejected from consideration. While it is important for you to read the entire announcement closely, please pay particular attention to the instructions at the end of this announcement for documents required to submit a complete application. **Applications missing signatures and required documents will not be considered.** The Service Member selected for this position may be eligible for health, dental, vision and life insurance benefits. Other benefits may also be available to those who qualify such as Service Member Assistance Programs, Group Legal Services, Long-Term Disability Insurance, Long-Term Care Insurance, Retirement Annuity, Supplemental Investment, and the Military Service Buy Back Program. **Reimbursement for moving and relocation expenses will not be paid.**

Eligibility Requirements

- Active members of the California Military Department (Army, Air, CSG) in the grades **E-5 through E-7** may apply. Applicants must have a militia affiliation per Para 5-2 of CMD Reg. 600-1. CSG members who have no prior federal militia experience must be a member of the CSG in good standing for a minimum of two years for eligibility for SAD vacancies.
- Intelligence Analysts must have at least one (1) year of experience in cybersecurity/information assurance and be able to research, process, create, and brief actionable reports using the information gathered.
- Analysts must be able to utilize critical thinking skills to apply gathered information and intelligence to California specific targets, information requirements, and areas of responsibility.
- Applicants must maintain good standing with militia component.
- Completion of militia and civilian education requirements commensurate with the grade of the applicant are required.
- Militia assignments appropriate to the grade of the applicant are required.
- Applicants must meet, and maintain, militia component medical and physical fitness standards.

- Appropriate militia uniform with federal and state recognized rank will be worn in accordance with militia regulation.
- Must be able to pass State and Federal background checks (Live Scan), and California Military Department status verification. Continuation of employment is contingent upon maintaining favorable background checks.
- Must possess a valid state driver's license.

Primary Duties and Responsibilities

The incumbent for this position will be supervised by the Cal-CSIC CTI Branch Manager.

- Identifies threat tactics and methodologies; Identifies and evaluates threat critical capabilities, requirements and vulnerabilities; identifies and submits intelligence requirements for the purposes of designating priority information requirements.
- Identifies intelligence gaps and shortfalls; monitors and reports changes in threat dispositions activities, tactics, capabilities, objectives, etc. as related to designated cyber operations warning problem sets; monitors and reports on validated threat activities.
- Monitor open-source websites for hostile content directed towards organizational or partner interests; monitors operational environment and report on adversarial activities which fulfill leadership's priority information requirements.
- Assesses and/or estimates effects generated during and after cyber operations; defines and characterizes all pertinent aspects of the operational environment; develops or recommends analytic approaches or solutions to problems and situations for which information is incomplete or for which no precedent exists.
- Identifies cyber threats which may jeopardize organization and/or partner interests; provides analysis to aid writing phased after action reports; evaluates information for reliability, validity, and relevance; performs file signature analysis.
- Maintain a common intelligence picture; assists in the coordination, validation and management of All-Source collection requirements, plans and/or activities.
- Perform other related duties as required to fulfill the Cal OES mission, goals and objectives.
